†Original notice of the question was received in Hindi.

Ministry of Defence had set up a committee to examine proposals of Army HQrs on 16th July, 2001, under the Chairmanship of Shri Ajay Vikram Singh, the then Special Secretary with representatives of all the three Services. The Committee submitted its report in January, 2003. The Raksha Mantri gave 'in principle' approval to the recommendations of the Committee in September 2003. The Committee identified two interrelated issues viz., high age profile and career stagnation. The Committee made a total of 15 recommendations encompassing both short term and long term measures.

AVSC has recommended a multi-pronged approach comprising the pull and peel factors, which include a strategy to bring down the age profile through a lasting solution and also short-term measures to provide some immediate relief.

Certain recommendations pertaining to non-select ranks have already been implemented with effect from December 2004. Review of the creation of posts and restructuring of the cadres in the forces is an ongoing and continuous process.
